Lamp Life

Projectors use lamps to produce light for projection. The lamp life indicates the estimated duration the lamp will last before it needs to be replaced. Longer lamp life reduces maintenance and replacement costs

Product Information

The Sony LMP-H160 replacement lamps are compatible with AW10 AW10S AW15 projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.
