Product Information

The NEC NP35LP replacement lamps are compatible with NP-V302H NP-V332W NP-V332X projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.

Bulb warranty

Test and Calibrate: Turn on the projector and verify that the new lamp is functioning correctly. If necessary, adjust the projector settings to optimize the image quality and brightness.

While we are working to ensure each image we have posted is accurate, there may be items with an incorrect or missing image. Please be sure you are ordering the correct model.

Most projector lamps come with a warranty. During the warranty period, if a bulb malfunctions or any defects are encountered, we will usually offer to replace or repair the bulb free of charge. Warranty duration varies by model.

Make sure the projector is completely cool before replacing the lamp. Lamps and projectors generate heat during use, so waiting for sufficient cooling time can avoid burns and damage.
