Product Description

NP21LP For NEC Projector Lamp NP-PA500U NP-PA500X NP-PA5520W NP-PA600X

Product Parameter

Part Numbers	NP21LP
Fittable projector models	For NEC Projector Lamp NP-PA500U NP-PA500X NP-PA5520W NP-PA600X
Bulb Type	330 W
Life time	3000 -5000(Hours)
Packing	Carton box with foam
Minimum Order quantity	10 piece

Adjust the focus

If the projector has a menu system, navigate to the focus settings and make adjustments using the remote control or built-in buttons.

Product Information

The NEC NP21LP replacement lamps are compatible with NP-PA500U NP-PA500X NP-PA5520W projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.

Bulb warranty

Secure the Lamp Compartment: Once the new lamp is in place, secure the lamp compartment by reattaching any screws or latches that were removed earlier. Ensure that the compartment is sealed properly to prevent any dust or debris from entering.

Reset Lamp Timer: After installing the new lamp, it is essential to reset the lamp timer on the projector. This step varies by projector model, so refer to the user manual for instructions on how to reset the lamp timer.

Test and Calibrate: Turn on the projector and verify that the new lamp is functioning correctly. If necessary, adjust the projector settings to optimize the image quality and brightness.

While we are working to ensure each image we have posted is accurate, there may be items with an incorrect or missing image. Please be sure you are ordering the correct model.
