Product Information

The NEC NP20LP replacement lamps are compatible with U300X U310W projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same of the new original one and improve the effect of projection, and make you feel comfortable while using.

Bulb warranty

Reset Lamp Timer: After installing the new lamp, it is essential to reset the lamp timer on the projector. This step varies by projector model, so refer to the user manual for instructions on how to reset the lamp timer.

Test and Calibrate: Turn on the projector and verify that the new lamp is functioning correctly. If necessary, adjust the projector settings to optimize the image quality and brightness.

While we are working to ensure each image we have posted is accurate, there may be items with an incorrect or missing image. Please be sure you are ordering the correct model.

Most projector lamps come with a warranty. During the warranty period, if a bulb malfunctions or any defects are encountered, we will usually offer to replace or repair the bulb free of charge. Warranty duration varies by model.
