Product Information

The Sanyo POA-LMP145/610-350-6814 replacement lamps are compatible with PDG-DHT8000 projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.

Place the projector

Place the projector in a suitable location so that the projected image covers the target projection area. Use the projector's adjustable feet or projection stand to adjust as needed to get the right projection angle and height.
