Product Information

The ACER MR.JMZ11.001 replacement lamps are compatible with A1300W projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.

Fine-tune the image

You can further optimize your images by adjusting settings such as brightness, contrast, color temperature, and keystone correction. These options are usually available in the projector's menu system.
