Product Information

The ACER MC.JMJ11.001 replacement lamps are compatible with X1278H X1378WH projectors. The working hour time is: 3000-5000 hours. After replacing our new lamps, the projector performance can be the same as the new original one and improve the effect of projection, and make you feel comfortable while using.

Flexibility in Projection Distance

Flexibility in projection distance allows users to adjust the size of the projected image according to available space. This makes the projector suitable for both small and large rooms or venues.
