Product Description

ET-RFE12 filter for Panasonic projector General PT-EX12K EX12KU Projector Filter

Product Parameter

Part Numbers	ET-RFE12 filter
Fittable projector models	for Panasonic projector General PANASONIC PT-EX12KEJ PANASONIC PT-EX12KE PANASONIC PT-EX12KU PANASONIC PT-EX12K
Packing	Carton box with foam
Minimum Order quantity	10 piece

Points to note

Try not to use the projector for a long time. After all, the air cooling effect is limited, which is why the light bulb has a lifespan. In other words, the fan is not enough to take away all the heat, and long-term heat accumulation will reduce the brightness of the bulb. Therefore, it is recommended that users generally not use the projector for more than 4 hours continuously.
