## Product Description

# PK-L2615UG PK-L2615U For JVC Projector Lamp RS400 RS500 DLA-RS600 DLA-X950R

## Product Parameter

Part Numbers	PK-L2615UG PK-L2615U
Fittable projector models	For JVC Projector Lamp RS400 RS500 DLA-RS600 DLA-X950R DLA-X750R DLA-X9000 DLA-X7000 DLA-X5000
Bulb Type	265 W
Life time	3000-5000(Hours)
Packing	Carton box with foam
Minimum Order quantity	10 piece

## Product Information

The JVC PK-L2615UG PK-L2615U replacement lamps are compatible with RS400 RS500 DLA-RS600 projectors. The working hour time is:3000-5000 hours. After replacing our new lamps, the projector performance can be the same of the new original one and improve the effect of projection, and make you feel comfortable while using.

## Lamp Life

Projectors use lamps to produce light for projection. The lamp life indicates the estimated duration the lamp will last before it needs to be replaced. Longer lamp life reduces maintenance and replacement costs.

## Bulb warranty

**Install the New Lamp:** Take the new lamp and align it correctly with the lamp housing. Make sure it fits securely and matches the connections of the previous lamp. Reconnect any cables or connectors that were disconnected during the removal process.

**Secure the Lamp Compartment:** Once the new lamp is in place, secure the lamp compartment by reattaching any screws or latches that were removed earlier. Ensure that the compartment is sealed properly to prevent any dust or debris from entering.

**Reset Lamp Timer:** After installing the new lamp, it is essential to reset the lamp timer on the projector. This step varies by projector model, so refer to the user manual for instructions on how to reset the lamp timer.

**Test and Calibrate:** Turn on the projector and verify that the new lamp is functioning correctly. If necessary, adjust the projector settings to optimize the image quality and brightness.
